

Kazunari Kakei

More than anything, I hope to keep drawing a manga that I myself enjoy working on. So it will be great if the people who read this enjoy it, too! I draw each page with that wish in mind!

ADRA: The Last Chronicle of Devildom is Kazunari Kakei's first manga series. It debuted in the April 2004 issue of *Monthly Shounen Jump* and eventually spawned a second series, **SUPERPEC ADRA the 2nd**, which premiered in *Monthly Shounen Jump's* March 2007 issue.

NORA

THE DARK PARADOX OF HELL

1

Nora, an unruly demon, has defied his superiors one too many times. For the sake of his "education," Nora is sent to live among mortals and enters a band of comrades with cool-headed star student Kazuma Migami. Kazuma is about to learn the ways of the underworld...and Nora will learn more from the "real world" than he ever thought possible!

A Match Made in Hell

When the seal for Nora's form is released he becomes Carberus, the wicked dog of disaster. But Nora can only use magic when Kazuma grants him permission...and Kazuma doesn't grant permission easily. The Dark Lords want the two to team up and check down on misbegotten demon factions in the human world, but how can they do that if they can't even get along?
